

# The Leading Monthly Applications Magazine For Your Apple...

**SUBSCRIBE  
TODAY  
AND SAVE!**

## **THE INDEPENDENT GUIDE FOR APPLE COMPUTING:**

**A+** is written with you in mind... about the programs you can adapt for your home or office...the products you can purchase to expand your system...the applications you can implement to increase your productivity, such as:

## **BUSINESS AND FINANCE APPLICATIONS:**

Reviews and evaluations of forecasting and analysis packages...news retrieval services...general accounting programs...interest and loan amortizations...and record processing.

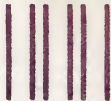

## **SOFTWARE REVIEWS:**

You'll find out what's new on the market...what software you can transfer from other microcomputers to your Apple...which package still has bugs in it...which software package will make your Apple more efficient, more powerful, giving you the most for your money!

## **HARDWARE REVIEWS:**

The latest advances in telecommunications and networking are covered in each issue...what are the new ways to augment memory...how can you access a wider variety of peripherals...which monitor will offer you the best resolution for graphics...should you add a Koala pad™ to your system?

Answer your questions and concerns in every issue of **A+**! You'll find stimulating articles, regular features and reader service departments that talk *with* you!
